PRODUCT	DESCRIPTION	BARCODE	PRODUCT CODE	PACK SIZE
BIO-BRITE AUTO 	Automatic Washing Machine Powder Bio-Brite Auto is a superior alkaline low foam washing powder, for both household laundry and the heavy, industrial laundries. An important fact to remember is that BioBrite™ Auto has tough, active ingredients to clean heavily soiled fabrics while being gentle enough not to harm the laundry sheets, pillow slips and towels. It also has active enzymes, multiple surfactants, and other imported raw materials to maintain a very high standard, making it a cost-effective product over a broad spectrum of laundry applications. Will dissolve on contact with warm water, leaving no residue.	6009685011343 6009685014160 6009707313189 	BBAUTO0005 BBAUT40005 BBAUT0025	• 5KG Bucket • 4 x 5KG Bucket • 25KG Bucket
BIO-BRITE GOLD 	Concentrated Automatic Washing Machine Powder Bio-Brite Gold is a concentrated automatic washing machine powder. Best for all automatics, top loaders, front loaders & twin tubs.	6009685014948 6009692207696 	BBGOLD0005 BBGOLD40005	• 5KG • 4 x 5KG
BIO-BRITE FAB SOFT 	Triple Concentrated Fabric Softener Fab Soft is formulated to decrease drying time, reduce wrinkling, and enhance ironing and tensile strength of fabrics at the latter stage of normal wash cycles. This product is super concentrated and needs to be pre-diluted 50/50 with water. It also enhances lubricity, softness and anti-static properties to treated fabrics. Do not pour undiluted directly onto clothes. Do not use bleach, blue or any other product in the Fab Soft rinse. Do not use Fab Soft or any other fabric softener when the water supply is severely discoloured. If using a dryer, avoid excessive heating as perfume in garments can be affected.	6009685014184 6009685014191 6009685015099 	BBFAB0005 BBFAB40005 BBFAB0025	• 5LT • 4 x 5LT • 25LT
BIO-BRITE DISH CLEAN 	Triple Concentrated Dishwashing Liquid This product is a liquid-based, thick green, heavy-duty dishwashing liquid used for manual dishwashing only. The estimated activity of 16% to 18%. For all your general cleaning of glasses, glassware, ceramics, floors, tiles and walls. It is NOT SUITABLE for use in dishwashing machines. Safe for use with plastics, paintwork and metals.	6009685014849 6009685014856 6009685014245 6009685014252 6009685014870 	BBDISH0002 BBDISH60002 BBDISH0005 BBDISH40005 BBDISH10025	• 2LT • 6 x 2LT • 5LT • 4 x 5LT • 25LT
BIO-BRITE BLUE BREEZE 	Concentrated Air Freshener Floral The Concentrated Air Freshener is an environmentally friendly alcohol-based fast working deodorising air freshener. It can also be used to clean and deodorise toilet seats, telephones, computers, counters, inside your car and for general office cleaning. Tested Bactericidal Efficacy: 5 Minutes contact time at 1:2 kills 99.999% of E. coli, P. aeruginosa, E. hirae, S. aureus.	6009685014290 6009685014894 6009685014894 	BBBLU40005 BBBLU10025 BBBLU10025	• 5LT • 4 x 5LT • 25LT

PRODUCT	DESCRIPTION	BARCODE	PRODUCT CODE	PACK SIZE
BIO-BRITE PINE GEL 	Multipurpose Bathroom Cleaner The Multipurpose Bathroom Cleaner is a NEUTRAL strong detergent that contains natural pine oil which gives it excellent cleaning power that can be used in the following areas: bathrooms, showers, public toilets and urinals. Has a powerful pleasant pine fragrance that masks bad odours, especially in public toilets, communal showers and change houses. It removes stubborn body fats from showers, baths and grouting, tiles, walls and much more. Always rinse well after application.	6009685014320 6009685014337 6009685014344 6009685014351 6009685014832 	BBPINE0002 BBPINE60002 BBPINE0005 BBPINE40005 BBPINE0025	• 2KG • 6 x 2KG • 5KG • 4 x 5KG • 25KG
BIO-BRITE PINK WIZ 	Bathroom Disinfectant Pink Wiz is an acid-based strong QAC disinfectant, suitable for everyday use. It can be used in the following areas: bathrooms, showers, veterinary clinics, public toilets and urinals. It has a powerful pleasant fragrance that masks bad odours, especially in public toilets and veterinary clinics. Removes all body fats, mildew from showers, baths and grouting, leaving your bathroom fresh, clean and bacteria-free.	6009685014368 6009685014375 6009685014900 	BBPINK00005 BBPINK40005 BBPINK10025	• 5LT • 4 x 5LT • 25LT
BIO-BRITE GREASOLVE 	Multipurpose Degreaser Greasolve is a highly effective water-based multipurpose degreaser, which will dissolve stubborn oil and grease from most surfaces and still rinse off easily. This detergent can be used in many applications, such as industrial ovens, engines, machines, stain (including blood, ink grease, oil), collars and cuff, general household kitchens, heavily soiled floors, walls and other surfaces. This product can also be applied through high-pressure cleaner or foaming equipment and will not cause damage to rubber seals. This product should be diluted in most applications. When diluted, it can also be used on painted surfaces.	6009685014382 6009685014399 6009685014917 	BBGRE00005 BBGRE40005 BBGRE10025	• 5LT • 4 x 5LT • 25LT
BIO-BRITE MOP & SHINE 	Polymer-Based One Step Floor Shine Mop & Shine is a medium-duty acrylic coating used as a weekly maintenance product for sealed floors. This coating repairs scratched or damaged polymer sealed floors and reduces slipping and sliding. This floor shine can be applied on painted floors and most indoor tiles. Do not apply on wooden floors or outside areas that are in contact with sun and wet conditions. This is a water-based sealer, making it easy to strip with SA Polichem Polistrip C/NA. One litre of product covers approximately 20m ² . For best results, apply at least twice a month on sealed floors. It is recommended to strip and reseal the floor at least once a year. Regular spray and buff application are also recommended.	6009685014306 6009685014313 6009685014405 	BBMOP0005 BBMOP40005 BBMOP0025	• 5LT • 4 x 5LT • 25LT
BIO-BRITE CARPET SHAMPOO HAND WASH 	Manual Concentrated Carpet Shampoo This product is an alkaline concentrated detergent for manual carpet washing. This product is high foaming and therefore it cannot be used in a carpet washing machine. Is suitable for all types of carpets, always rinse well after wash. Ensure a scrubbing action to create a foam that will stay on top of the carpet. This procedure will make sure that all the soiling is concentrated in the foam above the carpet. Do not use too much water, try to make sure that the carpet is not saturated. This carpet shampoo is capable of removing 99% of all types of stains from a carpet.	6009685014207 6009685014214 6009685015082 	BBCARH00005 BBCARH4005 BBCARH10025	• 5LT • 4 x 5LT • 25LT
